Office Products Challenge?

Nobody knows Office Supplies and Furniture in your company like you do. That's why we're inviting you to test your office products knowledge by taking the **Office Products Challenge**. Just find the right products to answer the following five office questions.

If you're up to the challenge, you could be a winner.

Here's How You Take the Challenge...

Answer the five questions inside and send your completed entry form to us. Remember, you'll need your new 2010 **Storey Kenworthy** Office Products Catalog handy.

If you answer all five questions correctly you will be entered in our grand prize drawing.

The winner will be picked at random from all qualified entries received by **March 31, 2010**.

Fill out your contest entry form and give it to your **Storey Kenworthy** Sales Representative or fax your completed Office Products Challenge entry to: **515-284-0853**, to the attention of **Heather – Sales Dept.**

Optimus Prime's second cousin Presentimus is quite the techie. While some of his fellow Autobots spend their free time in the form of souped-up sports cars or toaster ovens, he prefers to transform into an innovative wireless remote presenter complete with a laser pointer and 1GB of flash memory for presentation storage. What is the stock number of this cool presentation device and on what page can it be found?

Answer: _____

There is a major revolt among the llamas at the Petting Zoo! The llamas are not crazy about the thousands of children pawing them each day. Throw in cold and flu season and you've got a real problem on your hands. Fortunately there's a great "sanitizing station" from Purell that can be set up right by the petting zoo entrance. Kids sanitize their hands and voila, revolt averted! What is the stock number and page number for this item?

Answer: _____

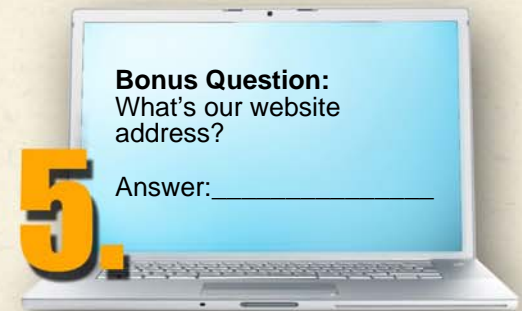

Clete Bannister is an organizational expert. A place for everything and a thing for every place he always says...or something like that. Thursday nights, Clete rolls with the boys at Bleeker's Bowlarama. When he returns home he files his lucky bowling ball under "B" for bowling ball in the only hanging file folder built to handle the job. Can you locate this heavy duty product and identify the page it is found on?

Answer: _____

Ruth Ann Riggins, long-time office manager at Lizardo and Sons Hydraulics Co., has a great suggestion for improving company morale. Installing a suggestion box that includes a message board in the employee breakroom would allow employees to make suggestions to management and improve office communications. Can you find the perfect product and what page it is on?
